We are looking for someone who can rep our mushroom farm in the Spokane/CdA community!

Market Rep (Seasonal)

This will consist mainly of running the Happy Mountain booth at the Perry St. Market on Thursday 3-7p through October 31st. Set up, take down, customer service & sales using a Square POS system. You will need to pick up & drop off our market set up & mushrooms at our farm in Colbert, so a reliable vehicle that can fit our modest set up is required.

Delivery (Year-Round)

Deliver to our wholesale accounts Tuesday & Friday mornings year-round. Accounts range from Airway Heights to Valleyford to Coeur d'Alene and within Spokane. The position may also consist of other random tasks (pick ups, drop offs, oil changes, samples, etc.) as needed, but would fall within the working hours.

*We are working on acquiring a company vehicle for this position. If you are willing to use your own vehicle in the meantime, you will get mileage reimbursement and gas for ~175 miles per week.

Neither of these positions are on farm-production positions, but there is a possibility to help with on-farm chores if you'd like more hours or have the availability.
